

Welding Instructor

Welding Instructor: Responsible for teaching first-year welding students at the McCook Community College Center for Applied Science and Technology. Works cooperatively with second-year instructor to ensure a quality welding education. MCC is looking for someone to deliver engaging curriculum with high standards of excellence and someone that will be looking for innovative and creative ways to reach students and continue the growth of the Welding program.

About us: Mid-Plains Community College, a legislatively designated 18-county district in West-Central Nebraska, is a comprehensive, open access, public, two-year community college system that offers associate degrees, diplomas, and certificates. MPCC consists of three main campuses, one located in McCook, Nebraska and two located in North Platte, Nebraska. Additionally, there are campus sites in Broken Bow, Imperial, Ogallala and Valentine with satellite classrooms located throughout the Area.

Qualifications: AAS degree in Welding and two years of current work experience in welding field required. Preferred: Ability to weld and teach all major welding processes, knowledge of current practices in use of technology for instruction, ability to work as a team member, and ability to work with a variety of students.

Application Instructions: Send a (1) letter of interest,(2) current resume, (3) a completed MPCC application form (available at www.mpcc.edu) and (4) Unofficial transcripts to MPCC Human Resources, 1101 Halligan Drive, North Platte, NE 69101. Fax: 308-534-5770 or email humanresources@mpcc.edu Only complete application packets will be considered. **Review of applications will begin February 15, 2019. Position begins August 12, 2019. Only complete application packets will be considered.**

An EEO Employer/Educator.
