PLEASE NOTE

All residential students must register their vehicles with the MPCC Office of Student Life so they may park on-campus. Students will be assigned parking permits that need to be displayed in your vehicle at no additional cost.

Students that park in areas that are designated as staff, fire zones, or non-parking spaces will be subject to parking sanctions established by MPCC. Do not park or drive your vehicles on sidewalks or any non-paved area. The following actions are not permitted on college property, or any property leased by the college, including college housing and complex housing: personal mechanic work, washing your personal vehicle, taking up more than one parking space, “reserving” parking in any way, parking illegally (i.e. in a no parking zone, in a loading/unloading zone, in a handicap space without the proper handicap indicating sticker). These terms are subject to change at the discretion of the college and its staff.

Please note that you are not guaranteed a parking space on-campus.

I have read and understand the above terms and conditions regarding parking and vehicle registration at MPCC.
