

How to Access and Log into Your Online Course in Blackboard

I. Access to Blackboard: two methods to access.

1. *This is our most recommended method:* Click on the blue link below or using your browser, type in the Mid-Plains *Blackboard Web* site, <http://mpcc.blackboard.com/> You will then go to your Login Page. Save this page as a bookmark or favorite. On the Login Page enter your User Name and Password and this will take you to your Blackboard course homepage. (see below for ID and Password information)
2. Visit the MPCC website homepage, go to the bottom of the page and click on the

Blackboard button.

As in # 1 above, once you have reached your Login Page, save it as a bookmark favorite. Enter your Username and Password.

II. Login to my Blackboard:

- a. For your Blackboard Username, type in your student identification number. This is issued to you when you are admitted to the college.

Example: 11285

- b. For your Blackboard Password, type in your last name, first initial.

Example: jonesf For: Frank Jones

III. Click login: Once you have entered your ID and Password click login.

IV. Your course will be listed on your Blackboard Homepage. Click on the course and begin a semester of learning online.

REMEMBER, access to your class will not be available until the first day of class.

Still having problems?
