PLEASE NOTE:

Students that park in areas that are designated as staff, fire zones, or non-parking spaces will be subject to parking sanctions established by MPCC. Do not park or drive your vehicles on sidewalks or any non-paved area. No personal mechanic work may be performed on your vehicle in college housing parking lots. In addition, washing your personal vehicle is not permitted on college property. Students that park in areas that are identified as parking for staff and fire zones are subject to parking sanctions established by MPCC. These terms are subject to change at the discretion of the college.
